

AUG 9 1983

MEMORANDUM TO: James J. Cummings, Director, Office of Inspection and Auditor
FROM: James G. Keppler, Regional Administrator
SUBJECT: STATEMENTS BY FORMER ZACK COMPANY EMPLOYEES OF POTENTIAL
OIA INTEREST

Enclosed are the affidavits of (redacted) former employees of The Zack Company, Zack's the heating, ventilating and air conditioning (HVAC) contractor for the LaSalle, Clinton and Midland facilities here in Region III.

We are presently conducting an inspection of these individual's concerns as they relate to Clinton and Midland. Similar inspections concerning LaSalle and The Zack Company have been completed. During our review of the affidavits to identify any substantive technical concerns, it became evident that each individual's concerns suggest improprieties on the part of Region III.

Accordingly, we are enclosing a copy of each affidavit for whatever action you deem appropriate. Please note one of the affidavits is of a confidential nature. If you desire further information relative to the Zack issues, please contact me.

MEMORANDUM TO: E. T. Pawlik, Director, Office of Investigations
Field Office Region III

FROM: James G. Keppler, Regional Administrator

SUBJECT: STATEMENTS BY FORMER ZACK EMPLOYEES OF POTENTIAL OI INTEREST

The Region III Division of Engineering has begun a special inspection of The Zack Company's present and past construction activities at Midland and Clinton. Included in this effort is a review of concerns brought to our attention by former Zack employees. Our inspection of these individuals' concerns has involved the taking of depositions from them. During our review of the depositions, we identified several areas of potential interest to your organization. Accordingly, we are enclosing a transcript of the two subject depositions for your review.

We are willing to meet with you at your convenience to discuss the specific sections of the depositions which are of potential interest to you. Please contact Lee Spessard with any questions you may have and to arrange a meeting.
