Application Fee For Reactor Vessel Head Vent Exemption

Dear Sir:

In response to your letter dated January 8, 1985, Florida Power Corporation (FPC) hereby submits the requested \$150 application fee for the reactor vessel head vent exemption request.

It appears this fee is applicable due to the discretionary implementation of the current fee schedule on previously filed exemptions and not due to the timing of the October 22, 1984 letter as indicated in your letter. The original FPC request for this exemption was granted on an "interim" basis by letter dated July 21, 1983. The July 21, 1983 letter required of FPC the October 22, 1984 submittal.

If there are any questions concerning this information, please contact this office.

Sincerely,

G. R. Westafer
Manager, Nuclear Operations
