TO: Secretary of the Commission
FROM: John A. MacEvoy *jam*
DATE: July 14, 1992
RE: Additional Copies of Documents Served on the Licensing Board and Participants

OFFICE OF THE SECRETARY
DOCKETING & SERVICE
BRANCH

Please find enclosed additional copies of references served on the Licensing Board and participants in the Northeast Nuclear Energy Company Millstone Unit 2 Spent Fuel Pool license amendment proceeding (docket no. 50-336-OLA) on July 1, 1992. We understand you have the original of this filing.

We have added the Secretary of the Commission (Attention: Chief, Docketing and Service Section) to our service list to receive the original and two copies of all future filings. Please call me at 202-371-5769 if you have any questions about this matter.
