Note to Dick Clark

SUBJECT: BROWNS FERRY 1 - REQUIREMENTS OF 10 CFR 50.55A(G) (OELD # 838 573)

You use the example 7 which relates to the changes made to conform to changes in the Regulation, yet, you do not describe or indicate what changes in the Regulation were made which required these changes in the license to be made. If you want to use that example you have to indicate what change in the Regulation you're talking about.
