Note to V. Nerses

SUBJECT: SEABROOK 1 CP EXTENSION (OELD # 841 018)

The Seabrook CP extension package is okay in form, however, it should not be acted upon while the Unit 2 CP extension issue is pending before the Commission. Hold this package and do not issue it until the Commission takes some action on the petition pending before it. Mr. Patterson will let you know as soon as we become aware of any action taken by the Commission in this matter. He will advise you further as to where to proceed from there.
