Dear

Enclosed for your information is a copy of a letter to Mr. Thomas Carpenter of the Government Accountability Project addressing a concern you raised about correspondence stemming from your interview with the Region III Staff on June 12, 1984. Your concerns are still under review and you will be provided with copies of the documents in which your concerns are resolved.

If you have any questions, please telephone me at (312) 790-5500. Your cooperation with the Nuclear Regulatory Commission is greatly appreciated.

Sincerely,

Charles H. Weil
