AFFIDAVIT OF THOMAS I. HAWKINS IN SUPPORT  
OF APPLICANTS' MOTION FOR SUMMARY DISPOSITION  
OF EDDLEMAN CONTENTION 213-a

County of Fulton )  
 ) ss.  
State of Georgia )

Thomas I. Hawkins, being duly sworn, deposes and says:

1. My present position is Emergency Management Program Specialist for the Federal Emergency Management Agency. Included among my responsibilities is the radiological emergency planning liaison function between FEMA Region IV and the States of North and South Carolina. In this position, I am responsible for the review of radiological plans and preparedness for the State of North Carolina and the State of South Carolina and for the local governments within those States.

I have held this position since December 1981. I have been employed by FEMA since July 1978. A current statement of my

professional qualifications is attached hereto. My business address is 1371 Peachtree Street, NE - Suite 736 - Atlanta, Georgia, 30309. I have personal knowledge of the matters discussed herein and believe them to be true and correct. I make this affidavit in response to Eddleman Contention 213-a.

2. Eddleman Contention 213-a contends:

Either each off-site ERP should contain an appendix which conforms to evaluation criterion II.P.7. of NUREG-0654 or it should be demonstrated that such an appendix is unnecessary because its functions are performed in some other way by the present form of the plans.

The Emergency Response Plan as presently written, in the opinion of FEMA staff and the RAC, is in conformance with NUREG-0654, II.P.7. At the conclusion of each of the Plan's five parts, there is an "Attachment" which includes by title, a listing of the Standard Operating Procedures to be used in Plan implementation. The title itself indicates the section of the Plan to be implemented by the procedures.

I understand that the State and involved local governments are, at this time, drafting additional SOP's which will be utilized during the scheduled May 1985 exercise and incorporated into the Plan attachments after the exercise and before the ASLB Hearings in June 1985.
