ORDER BEGINNING DISCOVERY

Due to Judge Brenner's absence from the office for the next several weeks while presiding over an evidentiary hearing in another case, a ruling on the admissibility of Neiner Farms' Contentions 4 and 8 and the parties' proposed schedule will not be issued by March 15, 1985. However, it is now ordered that discovery, both informal and, as necessary, formal, shall begin immediately on those previously admitted contentions which remain as issues in controversy. The discovery period with respect to these admitted contentions shall end on May 20, 1985, consistent with the 75-day discovery period described in step 2 of the schedule agreed upon by the parties.
