Mr. Thomas A. Ippolito  
Operating Reactors Branch 3  
Division of Reactor Licensing  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Ippolito:

As per your request, we are enclosing 25 copies of the Thermal Monitoring Report Nos. 65 and 66 covering the periods November 1 - 30 and December 1 - 31, for Peach Bottom Atomic Power Station, Unit Nos. 2 and 3, distributed to the State of Pennsylvania and the Nuclear Regulatory Commission.

This report has been compiled in compliance with the monthly reporting requirements set forth in Appendix B to the Peach Bottom Operating License, Environmental Technical Specification and Bases.

Very truly yours,

W. B. Willsey  
Superintendent  
Services Division
