POWER UPRATE - REVISION OF PROPOSED SUBMITTAL SCHEDULE

Gentlemen:

The purpose of this letter is to confirm recent telephone discussions with members of the Nuclear Regulatory Commission staff concerning Carolina Power & Light Company's revised schedule for submitting a power uprate license amendment application for the Brunswick Steam Electric Plant, Units 1 and 2. By letter dated February 6, 1992 (Serial: NLS-92-011), CP&L informed the NRC of its intent to submit a power uprate license amendment application in November 1992. Carolina Power & Light Company currently intends to submit the power uprate license amendment application to the NRC in May 1993. Based on this schedule, the Company intends to request NRC approval of the Brunswick power uprate license amendment application by June 1, 1994.

Through our NRR Project Manager, we will continue to keep the Staff informed of our progress. Please refer any questions regarding this submittal to Mr. W. R. Murray at (919) 546-4661.

Yours very truly,

D. C. McCarthy
