Attention: **Dennis R. Lawyer**

Subject: **Change of Radiation Safety Officer Amendment**
U.S. Nuclear Regulatory Commission Materials License #45-15325-01

Dear **Mr. Lawyer**:

This letter is to request an amendment to our Radioactive Materials License Number 45-15325-01. Charlotte Ebbert has taken over the position of Radiation Safety Officer in place of Robert Mawyer, effective immediately. Charlotte Ebbert has been the majority owner of McCallum Testing Laboratories since December 2014. She has successfully completed the Troxler Nuclear Gauge Safety Certification training course and the Troxler US DOT and IATA Hazmat Certification Course on November 8, 2019. She successfully completed the Troxler Radiation Safety Officer Course February 16, 2020. She has previous experience with radiation training and safety to use X-Ray Diffraction at Pennsylvania State University to complete her thesis for her Master of Science in Geoscience in 1991. Ms. Ebbert will be assisted by Cory LaCasse who has twelve years of experience as a nuclear gauge technician and is currently the Field Technician Supervisor. Mr. LaCasse completed the Troxler Radiation Safety Officer Course on February 8, 2020.

Should you have any questions, please feel free to contact us at your convenience.

Yours truly,
McCALLUM TESTING LABORATORIES
