REGARDING LICENSE AMENDMENT, MAIL CONTROL NO. 618078**

Dear Ms. Adams:

This refers to your license amendment request dated February 11, 2020 requesting a revision to your licensed possession limits to accommodate medical use of your new high dose rate remote afterloader, with a commitment to provide vendor training certificates based on training to be completed March 31-April 2, 2020. This also refers to your notification dated March 25, 2020, informing us that the vendor training is delayed due to Covid-19 and statewide restrictions on vendor access to your facilities. We understand that the new training dates have not been re-scheduled to date. Please advise us upon re-scheduling the training.

Thank you for your cooperation.
