Docket Nos. 50-369 and 50-370
Training and Qualification Plan, Revision 14 Additional Pages

Gentlemen:

As required by 10 CFR 50.54(p), enclosed are four copies of Revision 14 Additional Pages to the McGuire Nuclear Station Training and Qualification Plan that clarifies that a licensed health professional (station nurse) is trained to administer medical examinations and a licensed physician provides the final attestation for examinations performed by a licensed health professional.

The enclosed Synopsis of Changes details the specific text change. This change does not decrease the effectiveness of the McGuire Nuclear Station Training and Qualification Plan.

Very Truly Yours
