

Dear Sir 5/2

page 1

I am doing a report on nuclear
 wastes and I would like to know
 what kind of nuclear wastes are
 shipped, and how strong are the
 packages you ship them how do you
 ship them, by truck, train and where
 do they go. How safe are nuclear
 power plant, and is it oyster creek

shut down know, and I heard that
 in October it is going to be shut
 down. Why. If you don't know, well
 you don't have to tell me. Do you have
 any booklets or pamphlets, please send
 them
 Thank you
