This confirms the telephone conversation between Mr. W. S. Wilgus of your staff and Mr. V. W. Panciera of my staff on January 4, 1985, concerning an enforcement conference to be conducted at the Region II Office on January 17, 1985, at 10:00 a.m. We requested this conference to discuss the substantial potential for an overexposure resulting from the failure to perform an adequate radiation survey prior to entering the prefilter room on November 6, 1984. A proposed meeting agenda is enclosed.

Should you have any questions regarding these arrangements, we will be pleased to discuss them.

Sincerely,
