Gentlemen:

SUBJECT: REPORT NOS. 50-338/84-42 AND 50-339/84-42

On November 14-16, 1984, NRC inspected activities authorized by NRC Operating License Nos. NPF-4 and NPF-7 for your North Anna facility. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the enclosed inspection report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.

Within the scope of the inspection, no violations or deviations were identified.

The results of this inspection identified an exercise weakness. This classification describes items which have not been identified as violations of federal regulations but are areas of concern which warrant management's attention. This item is further discussed in paragraph 4 of the report.

In accordance with 10 CFR 2.790(a), a copy of this letter and enclosure will be placed in the NRC Public Document Room unless you notify this office by telephone within 10 days of the date of this letter and submit written application to withhold information contained therein within 30 days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).

Should you have any questions concerning this letter, please contact us.

Sincerely,
