Note to Sam MacKay

SUBJECT: BRUNSWICK 1 RADIATION AREA POSTING (OELD # 837 416)

Sam, I don't understand what this is all about. Why don't you send me a copy of the incoming and discuss it with me. I don't know whether I have a problem or not but I have a feeling this is a note that should be checked with Lieberman's people but first, show me the incoming and tell me what the problem is all about.
