MEMORANDUM FOR: William J. Dircks, Executive Director  
for Operations  
FROM: Samuel J. Chilk  
Secretary of the Commission  
SUBJECT: DIABLO CANYON PROCEEDING -- MOTION FOR  
REVOCATION OR CONTINUATION OF SUSPENSION

On October 20, 1983, Joint Intervenors in the Diablo Canyon licensing proceeding filed before the Commission a Motion for Revocation of Facility Operating License or, in the Alternative, for Continuation of Suspension. Pacific Gas and Electric Company, the licensee, filed its response with the Commission on October 25, 1983. Nonetheless, there has been some uncertainty regarding how the Commission intended to address the issues raised in Joint Intervenors' motion. The Commission has indicated that a response from the staff would be helpful in determining how to resolve this matter.<sup>1</sup> Please provide the staff's response by Thursday, November 3, 1983.

<sup>1</sup>Commissioner Bernthal did not participate in this determination. Commissioner Roberts does not believe a staff response is necessary.
