

Honorable Nunzio J. Palladino

Chairman

8/16/82

Nuclear Regulatory Commission

717 H Street N.W.

Washington, D.C. 20545

Dear Mr. Palladino,

It has come to my attention that the Nuclear Regulatory Commission and members of it's staff have lied to me and have attempted to deceive me in, what I believe to be, an attempt to cover up the seriousness of the problems at the Wm. H. Zimmer Nuclear Power Station located in Moscow, Ohio.

For this reason I am hereby informing you that my cooperation with the Commission and/or members of it's staff is at an end effective immediately. Furthermore, I intend to bring these matters to the attention of the Administration and the Congress.

I am deeply ~~disappointed~~ ^{disappointed} that my efforts, as well as those of others, have been wasted on deaf ears.

Sincerely Yours;

Thomas W. Applegate, Jr.
