Dear Mr. Felton:

This request is made under the federal Freedom of Information Act, 5 U.S.C. 552.

Please send me copies of all correspondence, memoranda, reports and other documents relating to the Nuclear Regulatory Commission's Office of Investigation's review of operator training at the Grand Gulf 1 nuclear power plant, located in Port Gibson, Miss., and being built by Mississippi Power & Light Co.

The Freedom of Information Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all nonexempt portions of the records which I have requested, and ask that you justify any deletions by reference to specific exemptions of the Freedom of Information Act. I reserve the right to appeal your decision to withhold any materials.

I am a journalist employed by The Times-Picayune/The States-Item, a newspaper in New Orleans. I intend to use the information I am requesting as the basis for newspaper articles. Therefore, I ask that you waive all search and duplication fees.

As I am making this request in the capacity of a journalist and this information is of timely value, I will appreciate your communicating with me by telephone, rather than by mail, if you have any questions regarding this request.

Thank you for your assistance, and I will look forward to receiving your reply within 10 business days, as required by law.

Sincerely,

Lynn Cunningham
