Honorable Nunzio J. Palladino
Chairman, Nuclear Regulatory Commission
1717 H Street, N.W.
Washington, D.C. 20555

Dear Chairman Palladino:

I write to urge prompt action by the Commission on the licensing of the Grand Gulf nuclear plant. As you know, the consumers in the Third Congressional District served by Middle South Utilities could be adversely affected should delays in licensing occur.

Please let me know if there is anything I can do to assist you in this matter.

Sincerely,

BILLY TAUZIN
Member of Congress
