Modification No. 1 NRC-10-92-168 Page 2

This contract is modified to clarify that only the NRC Cortracting Officer may issue delivery orders for collections with the exception of applicant and follow-up collections which are made at the contractor's site which may be authorized by the NRC Headquarters and Regional Assistant Drug Program Coordinators. Accordingly, the contract is modified as follows:

1. Section B.2, Brief Description of Work, paragraph b., second sentence is revised to read as follows:

"Only Contracting Officers of the NRC may authorize work under this contract with the exception of applicant and follow-up collections at the contractor's site which may be verbally ordered by the NRC Headquarters and Regional Assistant Drug Program Coordinators."

- 2. Section G.1, Project Officer Authority, is revised by deleting item (1) under paragraph (b).
- 3. The attached new contract clause is added as Section I.10 of the contract.

All other terms and conditions, including the ceiling amount of \$409,871.00, remain the same.

"A summary of obligations for this contract, from award date through the date of this action is given below:

Total FY92 obligation amount \$153,720.00.

Cumulative Total of NRC Obligations \$153,720.00.

This modification does not obligate funds."

order 12800 of April 13, 1992, so that such provisions will be binding upon each subcontractor or vendo. The Contractor will take such action with respect to any such subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including the imposition of sanctions for noncompliance; provided, however, that if the Contractor becomes involved in litigation with a subcontractor or vendor, or is threatened with such involvement, as a result of such direction, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.
