IN RESPONSE REFER
TO FOIA-84-604

Dear Mr. Ireland:

This is in response to your letter dated July 19, 1984, in which you requested, pursuant to the Freedom of Information Act, documents regarding the Office of Investigation (OI) report on the Zimmer Nuclear Generating Station.

The NRC presently has four (4) FOIA requests for information on the Zimmer investigation. The documents have been inventoried and the staff is currently working on a release determination.

The investigation action on Zimmer has not been completed. When the final report of the investigation is issued, it and the background material may be withheld pending a U.S. Department of Justice investigation.

We will respond when the investigation is completed.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
