MEMORANDUM FOR: Guy H. Cunningham, III, Executive Legal Director  
FROM: Richard C. DeYoung, Director  
Office of Inspection and Enforcement  
SUBJECT: UCLA NONPOWER REACTOR LICENSE RENEWAL - NEED FOR  
SABOTAGE PROTECTION

We have reviewed your memorandum of March 28, 1984 concerning sabotage protection at nonpower reactors. The conclusions drawn concerning the OIE position are ill founded. We would welcome the opportunity to present the OIE position and the bases for that position at a meeting of office representatives.
