SUBJECT: CRGR MEETING NO. 70

The Committee to Review Generic Requirements (CRGR) will meet on Wednesday, October 17, 1984, from 1-5 p.m. in Room 6507 MNBB. The agenda is as follows:

- 1:00 - 2:30 - D. Matthews (IE) will brief the CRGR concerning the policy on minimum dosimetry for offsite emergency workers. (Category 2 item)
- 2:30 - 5:00 T. Speis (NRR) will present for CRGR review the enclosed proposed final rule concerning Pressurized Thermal Shock. (Category 2 item)

If a CRGR member cannot attend the meeting, it is his responsibility to assure that an alternate, who is approved by the CRGR Chairman, attends the meeting.

Persons making presentations to the CRGR are responsible for (1) assuring that the information required for CRGR review is provided to the Committee (CRGR Charter - I/B), (2) coordinating and presenting views of other offices, (3) as appropriate, assuring that other offices are represented during the presentation, and (4) assuring that agenda modifications are coordinated with the CRGR contact (Walt Schwink, x28639) and others involved with the presentation. With regard to attendance at CRGR meetings, I request that Office Directors limit attendance of their staffs at CRGR meetings to those few senior staff needed to address the agenda item under discussion. As a minimum, Division Directors or higher management should attend meetings addressing agenda items under their purview.

In accordance with the EDO's March 29, 1984 memorandum to the Commission concerning "Forwarding of CRGR Documents to the Public Document Room (PDR)," the enclosures contain predecisional information and therefore will not be released to the PDR until the NRC has considered (in a public forum) or decided the matter addressed by the information.
