Subject: NPPD Response to IE Inspection Report No. 50-298/84-06 and follow up letter (Johnson, NRC to Pilant, NPPD) dated June 27, 1984.

Dear Mr. Johnson:

This letter is written in response to your letter dated June 27, 1984 which requested supplemental information to subject response.

Pursuant to the telephone discussion on June 15, 1984, the following actions have been/will be taken:

1. A presentation to station personnel on high radiation areas and Special Work Permits was given at the June 28, 1984 Safety Meeting.
2. Biannual radiation protection retraining for all station personnel is scheduled for 1984. This training will include a discussion of high radiation areas and Special Work Permits and will be completed prior to January 1, 1985.

If you have any questions regarding this response, please contact me or P. V. Thomason at the site.

Sincerely,

J. M. Pilant
