Subject: JAF 1991 Annual Biological Monitoring Report
Revised Table 3-4
SPDES Permit # NY 0020109

Dear Mr. Colquhoun:

Attached is a revised Table 3-4 consisting of two pages. Please insert the attached pages into the 1991 Annual Biological Monitoring Report for the James A. FitzPatrick Nuclear Power Plant after page 3-11 and discard the existing pages.

The Annual Total impingement for each species in the existing table was incorrectly reported due to a calculation error in the spreadsheet used to create that table.

If you have any questions, please contact Mr. Alan McKeen, my staff at (315) 349-6703.

Very truly yours,

HARRY P. SALMON, JR.
