Tennessee Valley Authority  
ATTN: Mr. H. G. Farris  
Manager of Power and Engineering  
500A Chestnut Street Tower II  
Chattanooga, TN 37401

Gentlemen:

SUBJECT: REPORT NOS. 50-327/82-18 AND 50-328/82-18

Thank you for your supplemental response of August 23, 1984, to our Notice of Violation issued on August 2, 1982, concerning activities conducted at your Sequoyah facility. We have evaluated your response and found that it meets the requirements of 10 CFR 2.201. We confirmed, through a telephone conversation between Mr. J. Wills and Mr. P. Fredrickson of my staff on September 5, 1984, that the full compliance date given as July 12, 1984, in the enclosure to your response should read July 12, 1982. We will examine the implementation of your corrective actions during future inspections.

We appreciate your cooperation in this matter.

Sincerely

David M. Verrelli, Chief  
Reactor Projects Branch 1  
Division of Reactor Projects
