FROM: Richard C. Lewis, Director, Division of Reactor Projects  
SUBJECT: LICENSING OF GRAND GULF UNIT 1 - RESPONSE TO CONGRESSMAN  
MARKEY'S LETTER OF MARCH 13, 1984

We have reviewed, in detail, Congressman Markey's letter of March 13, 1984, in which he expressed concern about problems identified at the Grand Gulf facility. The enclosed response to Congressman Markey's letter provides our reply to those questions which dealt with Region II actions and licensee responses to those actions. We have previously provided Carl Stahle of your staff with a draft of our response for use in preparation of the NRC response to Congressman Markey's letter.

If you have any questions on this issue please contact Don Price of my staff.
