Gentlemen:

The attachment to this letter details a complaint made to the Senior Resident Inspector at Salem on September 26, 1984 by a contractor employee regarding physical security practices at Salem. Please provide a response to this complaint which addresses both the specific incident and the more general problem identified by this incident.

In accordance with 10 CFR 73.21 of the NRC's regulations, documentation of security measures for the physical protection of special nuclear materials and certain plant equipment vital to the safety of production or utilization facilities is deemed to be Safeguards Information. Each person who produces, receives or acquires Safeguards Information is required to ensure that it is protected against unauthorized disclosure. Therefore, the enclosure to this letter will not be placed in the Public Document Room and will receive limited distribution pursuant to 10 CFR 73.21(c).

Your cooperation with us in this matter is appreciated.

Sincerely,

Original Signed By:

**Richard W. Starostecki, Director
Division of Project and Resident
Programs**
