Dear Mr. O'Reilly:

Our response to Part 1 of Violation No. 413/84-44-01, 414/84-21-01 stated that certain corrective actions on R-6a no. 670 would be complete by October 1, 1984. The review of equipment maintenance records has been completed on time. However, two Non-comformances (NCIs) were identified in this review and additional time is needed to resolve these items. These NCI's will be resolved by November 1, 1984.

Very truly yours,

Hal B. Tucker
