Docket No. 50-289 *SP*
(Restart Remand on Management)

Dear Mr. Jordan:

In the Staff's response to UCS' first document request, which we filed on October 4, 1984, it was stated that certain documents identified as responsive to the request would be placed in the Public Document Room in a file labelled "Staff Response to UCS' First Request for Production of Documents." Due to an unanticipated delay in the availability of these documents in the PDR, I have had a copy of those documents made for you and am enclosing them here herewith.

Sincerely,
Mary E. Wagner
