In the Matter of  
Texas Utilities Generating Electric, et al.  
(Comanche Peak Steam Electric Station, Units 1 and 2)  
Docket Nos. 50-445 and 50-446

Dear Administrative Judges:

The NRC Staff ("Staff") has received "CASE's Motions and Answer to Applicants' Motion for Summary Disposition Regarding Stability of Pipe Supports" (October 15, 1984) ("CASE's Answer"). Since the motions set forth in CASE's Answer relate to matters between CASE and the Applicants, the Staff does not intend to file a response to those motions.

In addition, enclosed please find copies of the transcript of the August 23, 1984 meeting between the Staff and the Applicants regarding several motions for summary disposition, which the Board requested of the Staff in an October 17, 1984 telephone call with Staff counsel.

Sincerely,

Geary S. Mizuno  
Counsel for NRC Staff
