In the Matter of
Philadelphia Electric Company
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-352 and 50-353 *OC*

Ladies and Gentlemen:

As you know, we had originally tried to schedule a meeting for Monday, October 29, 1984, with regard to the commencement of hearings on offsite emergency planning contentions, as suggested in my letter dated October 23, 1984. We are advised by counsel for PEMA and FEMA, however, that a meeting on Tuesday would better suit their schedules. Mrs. Zitzer also indicated she might have difficulty in rearranging her schedule for a Monday meeting. Accordingly, this will confirm the new date and time of Tuesday morning at 10:00 for the meeting previously scheduled. The meeting will be held in the Gallery Room of the Penn Center Inn at 20th and Market Streets.

In addition to the matters on the agenda listed in my letter of October 23, we should also be prepared to discuss the various points contained in the Statement of Policy to
