Dear Mr. Jessen:

Thank you for your letter dated October 11, 1984, regarding your annual meeting with offsite response agencies. This agency does not normally attend plant annual emergency preparedness training to offsite organizations; however, we would appreciate being kept aware of the dates for such training. This should be done by notifying Mr. T. Ploski of our office of the date of the training session. If scheduling allows, we may send a representative from Region III. Mr. Ploski may be contacted on (312) 790-5529.

Sincerely,

L. R. Greger, Chief

Radiological Protection Branch
