In the Matter of
Philadelphia Electric Company
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-352 and 50-353 *BL*

Dear Mrs. Zitzer:

Pursuant to your request to me today by telephone, I checked on the status of emergency plans for Berks, Montgomery and Chester Counties. The most recent draft of the Berks County plan was forwarded to you by letter dated October 10, 1984. The most recent drafts of the Montgomery County and Chester County plans became available to Applicant on October 22 and today, respectively.

In order to facilitate your review of these plans, which should demonstrate that LEA's various concerns in its contentions have been satisfied, I have arranged for hand delivery of these documents to you. Notwithstanding our earlier delivery of the Berks County plan, to assure you have it, we are delivering another copy to you.

Sincerely,

Robert M. Rader
Counsel for the Applicant
