Mr. James G. Keppler  
Regional Administrator  
U.S. Nuclear Regulatory Commission  
Region III  
799 Roosevelt Road  
Glen Ellyn, IL 60137

Dear Mr. Keppler:

You are invited to attend a meeting of all Emergency Plant off-site support agencies on November 7, 1984, at 1 PM to discuss your role in our plan. The meeting will be held in our Visitor Center. If you have any questions or will be unable to attend this meeting, please contact D. Jessen at (309) 654-2241 Ext. 195.

In addition, we will be offering a radiation protection and safety training class to interested individuals on November 7, 1984, at 9 AM. Please indicate below if you would be interested in attending such a class so we may have some idea as to how many people to expect. Responses should be sent to:

D. Jessen  
c/o Quad-Cities Nuclear Power Station  
22710 - 206 Ave. North  
Cordova, IL 61242

Sincerely,

N. J. Kalivianakis  
Station Superintendent

I am interested in attending the radiation protection training class:
