In the Matter of  
Philadelphia Electric Company  
(Limerick Generating Station, Units 1 and 2)  
Docket Nos. 50-352 and 50-353

Dear Madam and Gentlemen:

In "Applicant's Motion for Exemption from the Requirements of 10 C.F.R. §50.47(a) and (b) as They Relate to the Necessity of Atomic Safety and Licensing Board Consideration of Evacuation Provisions of the Emergency Plan for the State Correctional Institution of Graterford" (February 7, 1985) at page 8, line 12, the figure "\$5 million a month" should read "\$15 million a month." The Affidavit of V. S. Boyer at Paragraph 4, upon which the figure is based, is correct.

Sincerely,

Mark J. Wetterhahn  
Counsel for Philadelphia  
Electric Company
