MEMORANDUM FOR: Alois J. Burda, Chief

FROM: William O. Miller, Chief

 Office of Administration

SUBJECT: RWATS/RITS COMPATIBILITY WITH NEW LICENSE FEE RULE

Reference your memorandum of February 20, 1984 regarding the enforcement effort of the IE Enforcement staff and "third party allegations."

It is my understanding that the question of excluding Enforcement staff activities from fee assessment under the revised rule has been satisfactorily resolved, and the only exclusion will be the effort of Jane Axelrad's enforcement staff as described in SECY-83-495.

Respecting third party allegations, I agree with the way Jim Blaha described allegations for IE, i.e., an issue originating from persons outside NRC or licensee management. Such issues would be excluded from fee recovery. Please let me know if my understanding is correct because I intend to modify the language in the Notice of Rule Making in SECY-83-495.

Your assistance is appreciated.
