MEMORANDUM FOR: Dennis Dougherty, Director
Division of Resource Management
and Administration
Region III

FROM: Elliott A. Greher, Program Analyst
Program Support and Analysis Staff
Office of Inspection and Enforcement

SUBJECT: PROFESSIONAL STAFF EFFORT FOR LA SALLE UNIT 2

I have reviewed the data recorded on MPS and have determined that IE employees (HQS and TTC staff and those PAT staff located in Regional Offices) did not record any routine inspection efforts devoted to La Salle Unit 2 (Docket 50-374) during the period 09/10/73 thru 12/16/83. IE's contract specialist reviewed the available contract files and could find no records of any contractual costs expended in support of routine inspection at La Salle Unit 2 during this time period. During this period we did not keep records of consultant costs devoted to specific licenses (for whatever purpose), but it is highly unlikely there were any.

I am providing this information to assist you in responding to William Miller's memo of 01/04/84.
