SUBJECT: LICENSE NOTIFICATION

By email dated March 9, 2020, you provided copies of leak tests of portable gauges which were recently acquired by American Engineering Testing, Inc., under NRC Materials License No. 22-20271-01, Amendment Number 29. Please be advised that your notification does not require a modification to your existing material license. The documentation that you submitted, along with your request, is very important and should be retained as part of your records. Your records may be reviewed during your next routine inspection.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Thank you for your cooperation.

Sincerely,

Casey Alldredge, Health Physicist  
Materials Licensing and Inspection Branch
