References (a): D. L. Farrar letter to J. G. Keppler
dated June 21, 1984

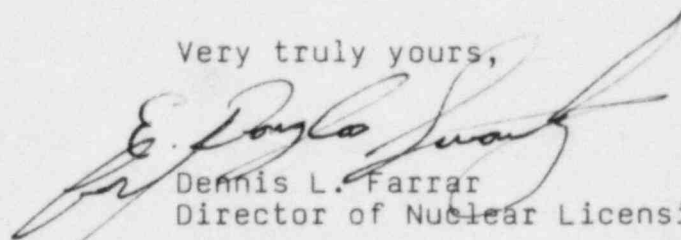

(b): R. F. Warnick letter to Cordell Reed
dated May 22, 1984

Dear Mr. Keppler:

Reference (a) provided the Commonwealth Edison Company thirty day response to Reference (b). The purpose of this letter is to supplement our Reference (a) response and update our expected completion dates for the Items of Noncompliance addressed in Reference (a).

Upon reviewing the status of our corrective actions, Commonwealth Edison has determined that revised completion dates are necessary. Our expected date of full compliance for the first Item of Noncompliance is now October 29, 1984, and our expected date of full compliance for the second Item of Noncompliance is now September 14, 1984.

Very truly yours,

Dennis L. Farrar
Director of Nuclear Licensing
