MEMORANDUM AND ORDER

On the joint oral motion of the applicant and the intervenors, and with the consent of the NRC staff, this Board's October 19, 1984 memorandum and order (unpublished) is amended in the following respect:

Unit 1 of the Byron nuclear power facility is not to achieve criticality before January 1, 1985, except upon 14 calendar days prior notice to this Board. In the event that such notice is provided, the intervenors will be given a reasonable opportunity to furnish the Board with their views respecting whether the achievement of criticality should be stayed beyond January 1.

It is so ORDERED.
