(Comanche Peak Steam Electric Station, Units 1 and 2)  
Docket Nos. 50-445/2 and 50-446/2 (50-2)

Dear Administrative Judges:

Enclosed please find a copy of the "NRC Staff's Motion for Postponement of Hearing ("Motion"), requesting the postponement of the hearing session scheduled for October 29 through November 2, 1984.

The NRC Staff ("Staff") regrets that its Motion could not be filed earlier, but the Motion is based upon Staff positions which were finalized on October 19, 1984 and described in the "NRC Staff Report to the Board on Status and Schedule for Addressing Hearing Issues" (October 19, 1984) ("Staff Status Report"). The Staff Status Report was hand-delivered to the Board and parties on October 19, 1984. Staff counsel informed the Board and parties in a conference call today, October 23, 1984, that the Staff expected to file this Motion today. The Staff hopes the Board and the parties will be able to consider the Staff's Motion during the October 24, 1984 conference call.

Sincerely,

Geary S. Mizuno  
Counsel for NRC Staff
