Re: In the Matter of Texas Utilities  
Electric Company, et al. (Comanche Peak  
Steam Electric Station, Units 1 and 2)  
Docket Nos. 50-445-2 and 50-446-2 *OL-2*

Gentlemen:

During the testimony of Mr. John J. Norris on January 7, 1985, Mr. Norris stated in response to one of my questions that the statement indicating the expiration date of the notary's commission was not required with respect to affidavits executed in Texas. (Tr. 23181) Mr. Norris discovered later that this advice was incorrect, and his letter of January 16, 1985 (copy attached) so states. Although the matter is not material, I request that Mr. Norris' testimony be considered clarified in the interest of an accurate record.

Sincerely,

*Joseph Gallo*

January 7th and 8th

Dear Joe;

During the course of the hearings on January 7th and 8th, I testified that the commission expiration date of a Texas Notary was not required and now I find that it was needed.

I would appreciate your cooperation in clarifying the matter with the Licensing Board.

Very truly yours,

  
J. J. Norris  
Vice President
