Dear Mr. O'Reilly:

VIRGINIA ELECTRIC AND POWER COMPANY
SURRY POWER STATION UNIT NOS. 1 AND 2
REVISIONS TO SECURITY PROGRAM

Pursuant to 50.54(p) the Virginia Electric and Power Company hereby submits the enclosed changes to the Surry Power Station Nuclear Security Program. Per request, four additional copies are provided with this transmittal. Several of the program chapters, in which revisions appear, have been submitted in their entirety because the size of the type used may have caused the spacing on the unrevised pages to change.

The material enclosed herewith contains Safeguards Information as defined by 10 CFR 73.21 and its disclosure to unauthorized individuals is prohibited by Section 147 of the Atomic Energy Act of 1954, as amended.

Very truly yours,

W. L. Stewart
