Docket No.: 50-445

COMANCHE PEAK STEAM ELECTRIC STATION
MAIN CONTROL BOARDS: CABLE SEPARATION VIOLATION
QA FILE: CP-85-01, SDAR-161
FILE NO.: 10110

Dear Mr. Hunter:

On January 11, 1985 we verbally notified your Mr. D. Hunnicutt of a deficiency regarding an apparent violation of the one-inch (1") separation criteria for Class 1E to non-1E components.

We have completed our investigation and concluded that the matter is not reportable under 10CFR50.55(e). Records supporting this determination are available for your inspector's review at the CPSES site.

Very truly yours,

A handwritten signature in cursive script that reads "Billy R. Clements".
