Dear Mr. Lee:

Discussions between members of our staffs indicate that it is your intention to discontinue pursuing an exemption to 10 CFR Part 50.54(w) in light of the recently proposed changes to those requirements. Therefore, we will consider your June 30, 1983, exemption request to be withdrawn unless we hear from you to the contrary within 20 days of the date of this letter.

If you have any questions on this subject, please contact the Project Manager (817-860-8127).

Sincerely,

Original Signed By
