RE: Freedom of Information Act Request

Dear Mike:

Under the provisions of the Freedom of Information Act, 5 U.S.C. 552, I am requesting access to records from NRC detailing with:

1. the identities of those responding to the Request for Quote issued on October 6, 1995 with the closing date of close of business on October 11, 1995
2. name and address of the winning bidder
3. the business information provided in the Statement of Work by the winning contractor
4. pricing provided by the winning contractor
5. NRC evaluations of each section analyzed and the results of the evaluation of all the bidders

If all or any part of this request is denied, please cite the specific exemption(s) which you think justifies your refusal to release the information, and inform me of the appeal procedures available to me under the law.

I would appreciate your handling this request as quickly and I look forward to hearing from you with 10 days, as the law stipulates.

If there are any fees for searching for or copying the records I have requested, please inform me with an estimate before you fill the request.
