PETITION

TO: the Atomic Safety and Licensing Appeal Board  
 U. S. Nuclear Regulatory Commission  
 Washington, D.C. 20555

FROM: the undersigned

Regarding the licensing of the Byron Nuclear Power Plant (Units 1 & 2)  
 Docket Numbers 50-454, 50-455

We, the undersigned, are concerned for the safety of our community.

We believe that, at this time, there exists no need for the operation of the Byron Nuclear Power Plant. There exists valid concerns about the safe operation of the facility.

We therefore respectfully petition the Atomic Safety and Licensing Appeal Board to grant the appeal of the Intervenors and order further hearings on the safety of the Byron Nuclear Power Plant.
